

Community Dental Outreach & Partnership Opportunities

Dr. Anthony Olatunji Smiles DMD Inc LSBE + MBE Certified | Mobile-Enabled | Equity-Rooted
| SE Certification Pending | California Dental Board Mobile Permit Active

How We Partner With Grantors

We collaborate with funders, TA providers, and County departments to meet shared goals in:

Dental Oral Health Education & Outreach

- Bilingual, trauma-informed outreach in MUA zones
- QR code consent flows and specialist access
- Community health fairs, church activations, and SNF partnerships
- Gum disease framed as chronic disease prevention—not cosmetic care

Workforce Development

- LSBE + MBE Certified employer with bilingual staffing
- Actively hiring from underserved and underrepresented populations
- Wage support eligible through ETP, SBTAEP, and OJT pathways
- Bilingual dental assistant hired October 13, 2025
- Experienced hires—no training required for reimbursement eligibility

Workforce Training – Underserved Populations

- On-the-job training (OJT) and mentorship for dental assistants
- Trauma-informed intake and outreach skills
- Credentialing-defensible onboarding with compliance, payroll, and benefits
- Activation-ready for grant-funded workforce development programs

Our Credentialed Footprint

- Fixed-site dental office: 11900 Avalon Blvd, Suite 101, Los Angeles, CA
- Portable X-ray unit and mobile permit (vehicle pending grant activation)
- In-house specialist care and bilingual staffing
- LSBE + MBE Certified in LA County | SE Certification pending
- Outreach photo archive and bilingual inserts available upon request

Let's Partner

We welcome collaboration with organizations that share our commitment to equity, access, and trauma-informed care.

Primary Partners We Welcome

Grantors and Technical Assistance Providers Funding partners, TA teams, and equity-rooted grantmakers supporting oral health, workforce development, and outreach infrastructure.

Workforce Boards and Nonprofits Organizations advancing employment, bilingual hiring, and trauma-informed care in underserved communities.

County Departments and Outreach Coalitions Public agencies and coalitions serving MUA zones, SNFs, and priority zip codes.

Additional Partnership Pathways

Faith-Based Organizations and Churches Trusted anchors for outreach, education, and prevention.

Skilled Nursing Facilities and Residential Care Homes Institutions seeking trauma-informed dental care and direct billing partnerships.

FQHCs and Community Clinics Sites ready to activate bilingual dental outreach and specialist referrals.

Schools and Youth Programs Partners supporting oral health education and preventive care for families.

Civic and Business Associations Chambers, supplier diversity networks, and equity-rooted business coalitions.

Mobile Health Units and Pop-Up Events Coordinators of health fairs, vaccination drives, and multi-service outreach.

We partner with purpose—anchored in professionalism, bilingual access, and trauma-informed care. Let's build together.
